About Us

Exporting India's Grocery & FMCG Excellence to Global Markets

Built on a foundation of trust and long-term relationships for over 40 years, Dhiraj Sons has evolved by adapting to changing consumer needs while staying rooted in quality and integrity. With hands-on involvement across sourcing and category management, we bring practical market insight and operational reliability to every partnership.

As we expand globally, our focus remains clear: to be a dependable export partner delivering India's essential food and FMCG categories to international markets.
